

# Bobcat Backers

## 2017-2018 Membership Form

Bobcat Backers is a group of community members and businesses in the Brookings area which supports the student-athletes of Brookings. Our mission is to promote Bobcat athletics and encourage good sportsmanship and community spirit at school events while providing the best opportunities for Brookings student-athletes. We also provide supplemental funding for school activities which would normally not be possible in their athletic budget, through membership dues and fundraising events.

Bobcat Backers involvement in the Brookings community and cooperation with the Brookings School District has resulted in our being able to offer scholarships to graduating seniors, as well as host state tournaments, support future Bobcats in their athletic endeavors, and assist the Monogram Club with their annual sports awards. Bobcat Backers also provides event sponsorship and encourages participation in camp and acceleration programs and provides funds to do so. In addition, since 2005 we have been able to provide funding to the athletic department for purchase of the following items which directly Benefit Brookings athletes:
